

Ric's Schedule 2025 -- Tentative

Jan 24, 2023

PLEASE NOTE THAT THIS IS A TENTATIVE SCHEDULE. IT IS A 'MOSTLY ACCURATE' GUIDE FOR NEXT YEAR BUT NOT CEMENTED IN PLACE.

As we progress into 2024, it becomes more certain, but still not absolute.

The exception is the VB class. It is set by contract with the hotel, so its date can be considered definite.

In addition, once a class is open for registration, its date is not going to change

The correct dates and class times also appear on your emailed class receipts when you register.
