

## Regions & Class Registrations

Sep 23, 2023

### Registration:

The first time you take any class, you must take it with the teacher of your region. The regions and their associated teacher are listed above, and the regions will be labeled on the VH Schedule page.

**Region 1:** Eastern & East-Central US: All states including and east of: MN, IO, MO, AR, MI.  
(Lorraine)

**Region 2:** Central & East Canada, with these provinces: ON, MB, SK. (Lorraine)

**Region 3:** Western & Central US: All states including & west of TX, OK, KS, NB, SD, ND, HI; and Western Canada, including BC & AB. (Gailynn)

**Region 4:** Western & Eastern Europe, the UK & Israel. (Anthony)

**Region 5** (translated in to Spanish): South & Central America, except Brazil (Region X), and Mexico. (various teachers).

**Region 6:** Australia, New Zealand & SE Asia. (Daniel)

**Region X:** Everywhere else, including Brazil, and can take classes with any teacher.

**Repeaters:** check with teacher first, except for Deepening w/Merlin or Sensing I.

### Region Rule Exceptions

Anyone who needs Spanish translation may take Region 5 classes.

Anyone can take any Deepening with Merlin class with any teacher.

Anyone can *repeat* any class with any teacher, but because we want to regulate the number of repeaters with respect to the number of new students in a class, all repeaters should check with the teacher to see if there is room before registering – except for Sensing I and Deepening with Merlin, which are expected to have many repeaters.

Classes given by only one teacher are open to everyone. Classes taught by more than one but not all teachers – for example, Jewel and Genetics – are open to more areas than that teacher's usual region, and the VH schedule would indicate which additional regions may take the class.

If there is a class a student wants to take that is/was not being offered by the teacher in their 'region', *either in the same year that other teachers are offering it or the next year*, then it can be taken with another teacher, BUT the students needs to first check with the teacher of their region to see if they are planning to give the class but just haven't gotten it on the schedule yet.

**Classes Online & In-person:** Certain classes, such as *Kundalini*, *TimeLines* and *the Earthworks* classes, among others, can only be taught in-person. In-person classes are not region restricted unless stated. The rest of the classes will be online, although a teacher may offer any of those classes in-person if the situation seems right.
